

“Life Verses” ~ Growth Group notes
Bev Cooke & Louise Mills 14/10/18

Choose one or both for discussion, depending on time:

Bev: Joshua 1.9

1. What do you remember most from what Bev shared? Why do you think that is?
2. Do you find this verse easy to take hold of in everyday life, or does it prove difficult for you in practice?
3. What moments in your life have you needed to rely on God for courage to keep walking forward?

Lou: Romans 8.38-39

1. What struck you most from what Louise shared?
2. Can you relate to having placed your security in something other than God? What would that have been?
3. Have you ever found it hard to find your security in God? What might help or hinder that?
4. How can we ensure these verses become our experience rather than mere head knowledge?
