Exodus 6:10-13, 26-27 ESV 'This Moses ... This Aaron'

1. POTENTIAL: You are special to God. Today is the day when you can start walking into your unique potential. What will you do/how are you getting on? What is stopping you from walking further into your potential in the power of the Spirit?
2. POSITIVE THINKING: Are you aware of toxic thoughts that prevent you believing what God says about you and entering into His call on your life? How easy do you find it to believe the positive things that God says about you in the Scriptures or through the Spirit? Are you truly a person of the Word and a person of the Spirit? What changes do you need to make?
3. PARTICIPATION: Are you prepared to believe that we cannot live without the Holy Spirit AND without one another? How ready are you for God to speak to others through you and for Him to express His love to others through you? What does the Spirit have for you to share with others in your group today or with your whole church family next Sunday?
4. PERMISSION: What does the Spirit need to bring (or bring back) to life in you? Will you allow Him to do this?
