

THE UNSTOPPABLE CHURCH #15 ~ Growth Group notes
Barry Gould 28/05/17

Acts 20.13-38

1. What struck you most from Barry's message on Sunday?
2. **AFFECTION:** The distance the elders traveled, and that they couldn't stop embracing and kissing Paul, then "tore" themselves from each other, all demonstrates how much affection there was between them.
 - Share stories, and/or ideas of how we could see even more of this at Beacon Church.
3. **PURPOSE:** (There is no "retirement" in following Jesus!) v24b depicts a general calling for all of us = "testifying to the gospel of the grace of God"
 - Share stories of having done so recently!
 - What might help us persevere in this?
4. **GRACE:** This **affection** and **purpose** both come primarily from knowing the grace of God in our lives - feeding on and teaching each other sound doctrine, and seeing and being Godly examples.
 - How can we encourage one another in this, what could that look like?
