

"The King's Revolution Part 10" Romans 4: 9 – 25

1. "God made promises and keeps them".

- Have you made promises, or have you been promised something in the past?
- Did you fulfil or receive what you were promised?
- What can we learn from the dependable nature of God's promises? How might you explain that to a friend who is unsure?

2. "God is looking for simple believing faith as a means of salvation"

- Why do you think people find it difficult to believe in the simple gift of salvation?
- Before you came to Christ, did you find it easy to believe? If not, why?
- How can we use our own experience to help our friends, family, colleagues etc. to come to God's knowledge?
