 - Describe the characteristics of the Giver in John 3.16.
2. *“Do we deserve the gifts we receive?”*
 - How would you describe to an unbelieving friend why we may or may not deserve this Gift?
3. *“Gifts are pointless unless we use them”*
 - What can we do in light of this amazing Gift?
 - And speaking of our own gifts/abilities, there’s a reason why they’re called that... What might help us keep God’s perspective on these gifts unique to each of us, that will help us use them best?
 - Discuss your own gifts between you (or help each other learn what they are) and encourage one another.
