

The Unstoppable Church Part 3

Acts 16: 6-10

1. How do you hear from God? Share different ways in which He speaks to you
2. How have you been sure it was God speaking each time? Even share stories when you got it wrong! Let us learn from each other. How does this help you grow into God?
3. Carl reminded us of practical ways to hear and respond: pray, rely on His word, seek Godly counsel, wait on Him (do not be impatient), step out when you are clear you have heard from Him. Of these points, which comes easiest to you and which do you need to grow in most?
