

REDEEMED #6: “Voluntary Slavery” ~ Growth Group notes
Craig Prentice 16/10/16

[Answering these questions fully will require honesty and vulnerability but, knowing you are with family in a confidential setting, please be encouraged to listen to each other and not brush off or jump on someone’s sharing, whether it is seemingly big or small. Thank you.]

Exodus 32

1. If you’ve been familiar with the Golden Calf story before, how have you normally reacted to it? Did you react differently this time?
 - If you’ve not heard this tale before, what struck you most?
2. Can you remember the root idols undergirding our sinful worship that Craig pinpointed?
 - [*Cheat sheet in case anyone can’t: Power, Control, Comfort, Approval*]
3. Is anyone willing to share which of those they struggle with most?
4. How does Christ demonstrate power over these areas?
5. How can we help each other to live this revelation out?
 - [Remember: *Conviction > Confession > Contrition > Change > Cheer!*]
