

The King's Revolution #9 ~ Growth Group notes
David Horrell 12/11/17

Romans 4.1-8

1. What struck you most from David's sermon on Sunday?
2. **v3**: "*Abraham believed God, and it was counted to him as righteousness*"
 - How do you understand this to work? How would you explain this to an unbelieving friend?
3. **v6-8**: The applauded King David schemed, lied, murdered... in many ways an ungodly king! Yet **Psalm 32.1-5** shows that he knew God was a God of forgiveness.
 - How easy do you find it to grasp God's forgiveness, or to forgive others in turn?
 - How easy it to abuse this, and what might that look like?
4. Relationship - both these men had an amazing relationship with God. What hinders that for us? What helps it?
