

The Unstoppable Church Part 13: Acts 19: 17-41

1. David reminded us that the Christian life is not (or should not be) easy, and in fact God says, "Welcome to the battle field". Why are our expectations so often different?

2. During the message on Sunday, David listed four possible internal oppositions any child of God can face:

a) Passivity/do nothing

b) Fear

c) Doubt

d) Junk

- Which of these can you relate to most?

- How can these points hinder us from becoming unstoppable as a church, a family etc?

3, Do we know the power and presence of the Holy Spirit in us? If not, why/what is stopping us to know Him (His power and presence)? What are the things we should do to know Him and have more of Him?
