

**The King's Revolution #6 ~ Growth Group notes**  
**David Horrell 22/10/17**

*Romans 2.17-29*

1. **“Contempt for the true nature and character of God”**
  - Why do you think this occurs?
  - Discuss the ease with which it can occur in the church.
  - How can we guard against our own hypocrisy that preaches a wrong understanding of God?
2. **“Consistency in word and action” (v21-22)**
  - In what kinds of ways can our own actions speak differently to the belief we profess? Think about Beacon in 2017 Herne Bay specifically - try to avoid general examples and consider our own blindspots!
3. **“Conscience: what shall I do with it?”**
  - How can we tell the difference between:
    - Holy Spirit speaking
    - Our own conscience as given by God
    - And the devil whispering half-truths to steer us of course?
