

**ETERNITY #2: “Angels, Demons and the Adversary” ~ Growth Group
notes ~ 13/11/16**

Acts 19

1. "We are not ignorant of his [*the devil's*] evil schemes..." (2 Cor 2.11)
 - What might his evil schemes look like?
 - How can we help each other?
2. Most people around us are in fact open to the spiritual world - more than this “secular age” appears to allow. (Look at the prolific number of supernatural films and shows still made, for example)
 - What can we do to help take the conversation further?
3. Do you have any experience of the supernatural realm/evil spirits and how Christ has demonstrated his authority there?
