

### The King's revolution Part 3 (Romans 1:16-17)

1 "10 Pegs of Doctrine" [Gospel, Power, God, Salvation, Faith, History, Righteousness, Scriptures, Resurrection, Revelation]: Have you always considered "doctrine" to be something for the (supposedly!) "clever people", or something for all of us in everyday life? How can we ensure the latter becomes a growing reality?

2. "Aspects of Faith" ["It is a reasoned faith as well as a simple faith, for both the child and the intellectual."]. This change of heart is available for all; discuss how this should affect our attitudes to the people we meet. Share examples of people with differing intellects and background who have received this gift (perhaps from amongst yourselves) to demonstrate this wonderful truth.

3 "Pictures of Paradise": Because of this gift of faith, Jesus remembers us (like the thief on the cross) and we are welcomed into something grand and amazing... Pray together for friends of yours, that they may receive this wonderful gift.
