

The Unstoppable Church Part 6

Acts 16: 22-34, Romans 5

1. "Attitude" (Acts 16: 22-26) – Paul and Silas were imprisoned for the sake of the Gospel; however, instead of them to worry and complain, they worshipped God. Think about a time when you went through a situation/challenge that wasn't what you'd planned... (i) How did you react? Did you see God working through the situation on your behalf, or was your thought that God had forsaken you? (ii) What is the place of worship and praise in tribulation or challenge?
2. "Partnership" (Acts 16: 22-23, 25, 28, 30-31). Silas was part of the situation with Paul; share ways you can be involved in the activities/vision of the church as a member. Explain ways that unity in the spirit can help a church/family grow.
3. "More and More" (Romans 5, Acts 16: 30-33). According to this scripture, God has more in mind for and through an individual; explain how God can perhaps work through you in your own circumstances and pray into this together.
