

## **ETERNITY #1: "Paradise Gained" ~ Growth Group notes ~ 06/11/16**

Luke 23; 1 Cor 15

1. What comes to mind when you think of heaven, and how might that have changed over the years?
2. Consider the thief on the cross (Lk 23): what was going through his mind in that moment? What were the assurances we can glean from verse 43?
3. What do your unbelieving friends think about the afterlife?
4. What might be the best way to explain to them your assurance of heaven? Consider what they might think of what you believe.
