

“Emmanuel: The Incarnation” ~ Growth Group notes
John Way 10/12/17

Matt 1.18-24

1. The Virgin Conception:
 - Have you always accepted the Virgin Conception, or has there been a journey in coming to accept it?
 - Have you had conversations with friends about this? How have your friends weighed it, or argued against it?
2. The Incarnation:
 - *“The Son coming as a baby didn’t leave a gap in the Godhead”*
 - What can we learn from this regarding God’s power and faithfulness?
 - Picture the relationship between them at the time. What would be unchanged, what might have been different?
3. Jesus as “fully God and fully man”:
 - Discuss His ability to relate to us, and to intercede to Father on our behalf (**Romans 8.34**).
4. What areas of your life sometimes feel beyond a miracle? Pray for each other, to the One Who can.
