

THE UNSTOPPABLE CHURCH #2 ~ Growth Group notes
JOHN WAY 29/01/17

Acts 16.1-5

1. "***Eliminating roadblocks***" - Paul was keen to ensure nothing stood in the way of the gospel's impact, even if it looked like he was betraying principles.
 - What roadblocks do or might occur between you and your friends or neighbours?
 - What can we do to help eliminate them?
2. "***Creating a multicultural highway***" - the gospel is for every tribe and tongue, Jew and non-Jew, people like us and people vastly different.
 - How can we, in 2017 UK, be "*all things to all people*" (1 Cor 9.22)?
3. Share stories of when you have seen the gospel cut across different cultures and people types to unite them.
4. Who is God calling you to reach next? How can we encourage and support each other in these cases?
