

“I AM The Resurrection And The Life”
Growth Group notes ~ Ollie Mills 23/06/19

[NB: All questions are suggestions; the aim is fruitful discussion of Sunday's sermon, rather than mere repetition - ie, learning between us how to put it into practice]

John 11.1-44

1. What has stayed with you most from Ollie's sermon?
2. v26: *“Do you believe this?”*
 - Compare the things we say and the things we do; how difficult is it for this to often match up, and what can we do about it?
 - Share stories of when you've seen this in yourself (or had it pointed out)
 - Share stories of when you've been able to see your heart (and actions) mirror what you know in your head to be true. Encourage one another!
3. v6: Jesus didn't go immediately!
 - Discuss Ollie's comment: *“Do we treat Jesus like a genie in a lamp, or trust Him to lead us into something deeper?”*
 - Look at vs 15, 40 + 42: what can help us know this is about His glory, when we are in the “thick of it”?
4. v44: *“Unbind him and let him go”*
 - Discuss what it means to be raised to life as a Christian and yet still held back by “burial cloth”.
 - Pray for each other with this in mind, and be free to ask for specific prayer if Holy Spirit prompts you.
