Steve Dunn 04/06/17

John 1.10-13, Rom 8.14-17

1. **BIRTH FAMILY:**
 - Does understanding church as family come easily to you? How have you experienced this in the past?
2. **LOCAL FAMILY:**
 - Discuss how the church should provide the following, just like a biological family:
 - Feeding
 - Clothing
 - Protection
 - Counsel
 - Discipline
 - Encouragement
 - Which of these are Beacon's strengths?
 - In which of these could you play a part in helping us to grow?
3. **GLOBAL FAMILY:**
 - Do you find it easy to be aware of your church family's wider context?
 - How can we help each other maintain a bigger vision of what God is doing across the world?
