

“Where Are We Clinging?” ~ Growth Group notes
Steve Dunn 11/02/18

Joshua 23

1. Did anything in particular strike you from Steve’s sermon on Sunday?
2. REBEL
 - Matthew Henry says, “*Just as God’s promises are not a fool’s paradise, so His threats are not empty bugbears.*”
 - How can we relate God’s kindness with His justice?
 - Have you ever struggled with this, or had discussions with friends about it?
3. COMPROMISE
 - “*The trouble with blindspots is we can't see them.*”; “*Marrying the world = devotion to another.*”
 - Can you remember the questions Steve posed to help us find our blindspots*?
 - Anyone willing to share testimony of when God has challenged them on an area of compromise?
4. EMBRACE
 - “*Clinging to Him is not about rules, but affiliation, affection, devotion and relationship.*”
 - Read **Psalm 63:8** and **Ruth 1:14-16** and then discuss.
 - Pray for one another, that He might be the apple of our eye...

(*In case people struggle... “*Where do you hide when you’re tired? Where do you go when you’re angry? What are you like in private when everything’s running smoothly?*”)
