

“The Good Kind Of Nagging” ~ Growth Group notes
Steve Dunn 11/03/18

Luke 18.1-8

1. “...**not lose heart.**”
 - What causes you to lose heart in prayer?
 - Why do you think this is?
2. “...**justice...**”
 - What can you recall Steve saying about the different things we pray for?
 - Do you find it easy to cry to God over brokenness, or do you struggle to find the words? What might help this?
3. “...**continual coming... cry day and night...**”
 - How can we encourage one another to keep coming to God for justice?
4. “...**will He find faith on earth?**”
 - Now pray together! Cry to Father for action in all areas of your own lives, those of others, things you see on the news...
