

“THE GOD OF SURPRISES” ~ Growth Group notes ~ 11/12/16

ISAIAH 9

1. Was there anything today that you hadn't heard before, or struck you in particular?
 - What do you think made that stand out for you?
2. Share times when God has answered in a way you least expected.
 - Why did that surprise you?
3. *“Our expectations of God should be high, but we can keep them slim”*
 - How can we ensure we don't pigeon-hole what God can do?
 - What might that look like in our prayers?
4. *“No matter how things look in any nation, situation or conversation, know this: Christ is still King”*
 - Share between you anything Holy Spirit might be asking you to reconcile in light of that statement, and pray for each other.
