

“The God Who Wants Us: Lessons From Jonah #4”
Growth Group notes ~ Steve Dunn 29/04/18

Jonah 4

1. Was there anything new you learned on Sunday, or anything that stuck with you most afterwards?
2. **“Strops and Flip-Flops”**
 - Can you relate to one or other of Steve’s points about Jonah (regarding stropiness, or “flip-flopping”?). Be brave and honest!
 - What do you think it is that causes this?
3. **“God of the Big, God of the Little”**
 - Have you ever been in the habit of considering God in one light more than the other - more interested in large-scale than you, or more interested in you than the larger-scale?
 - How can we help each other maintain the right balance of understanding His involvement and abilities?
4. **Prayer time**
 - In light of what you’ve discussed:
 - Thank God for His interest in both you AND the world at large.
 - Share particular needs or requests and pray for each other.
